Super Gloss Enamel

for wood and metal

Weldon Super Gloss Enamel provides an oil-based durable armor, suitable for use on all types of interior and exterior masonry, wood and metal surfaces. Formulated in brilliant gloss finish with highly washable properties that allow you to easily wipe off the most common household stains. It's superior flow and leveling ensures a uniform finish.

Superior Stain Resistance:
Hard wearing finish blocks stains from damaging surface.

Exceptional Washability:
Common stains, marks and scuffs can be easily wiped away.

Enhanced Durability:
Tough film for long lasting protection of your painted surface.

Excellent Hiding:
High opacity, which means fewer coats and better value for money.

Product Information:

Drying Time: 5-6 hours depending upon temperature and humidity

Coverage: 12-14m²/Lit/coat

Thinner: Mineral Turpentine

Thinning: Roller: 10-12%, Brush: 15-20%, Spray: 30-40%
numbers of coats 2 or more

Cleaning: Clean all equipment with mineral turpentine.
